

LEARN
THAI
AT MAHIDOL

Language and culture is one of the most important underlying forces behind an economy, as well as, domestic and international relations. The best way to learn Thai language and experience Thai culture is through acclimation with the Thai way of life.

Sense the beauty of the Thai language and Thai culture

Learn Thai at Mahidol

program at the Research Institute for Languages and Cultures of Asia, Mahidol University

- ❖ **Uniqueness of contemporary Thai language and culture**
- ❖ **Application of the “Mother-teaching” technique**
- ❖ **Thai language taught through authentic Thai cultural experiences by experts with over 30 years of experience teaching Thai to non-native speakers**

Better cultural understanding through language learning

- ❖ Improve Thai communication skill through internship with leading Thai organizations
- ❖ Be treated like a member of our Thai family
- ❖ Sense the beauty of Thai culture, traditions and lifestyles during visits to local communities
