More Information

How to apply  
& Online Admission

The program aims to produce graduates who are both practical and theoretical experts, who have research skills that can be applied to solve problems. Students are taught to be experts deft in the skills of ethics and leadership in the academic realm and professions, especially those on the GLAM (Gallery Library Archive Museum) career path. Graduates focus on developing lifelong learning to promote social equality and raising awareness in museum design and sustainable development, with the aim being to develop people through knowledge and innovation and promoting the principle: Museum is well, society is happy.

## WHAT MAKES OUR COURSE STAND OUT?

- 1 The first and only museum studies program in Thailand developed with 30 years of experience in the field

2

Three dimensions of museum work: 1. preservation of cultural heritage 2. audience experience design; and 3. management.

3

Consortium among industry and academia that forms a solid relationships between teachers and students around the nature of research work and co-learning

4

Research-based learning, practice and critical thinking through classroom learning, intensive internship and field work

## WHAT ARE THE EXPENSES?

Regular Program

**35,000** THB

*Remark: The fee for field trip is 10,000 Baht, payable once throughout the course.*

*Flat-rate fee is paid per semester (in Baht).*

*The expenditure is the same for all study plans, both for Thai and international students.*
