Research Institute for Languages and Cultures of Asia (RILCA), Mahidol University
999 Budhamonthon Sai 4, Salaya, Budhamonthon, Nakhon Pathom 73170

The program aims to produce graduates with in-depth knowledge, competence, and research skills who possess the ability to create new knowledge and alternative ideas by integrating knowledge of communication, language and intercultural communication with other sciences in the fields of humanities and social sciences. Graduates should be able to contribute to the development of the society in the 21st century to be strong, balanced, reduce conflict and create sustainable peace. Graduates will be able to assist society and become the "**wisdom of the land**" according to Mahidol University's goals.

WHAT MAKES OUR COURSE STAND OUT?

Build leaders of change by applying and integrating analytical and synthetic thinking theory and skills for advanced multidisciplinary and cross-disciplinary research in language and intercultural communication.

The program focuses on research and innovation that impacts policy, economic and social development in order to enhance the quality of life of mankind amid a volatile society and multilingual and cultural diversity.
