The program aims to produce graduates with detailed cultural diversity awareness and intercultural communication skills for teaching, translation and administration to apply in their careers and social development. The integration of language and intercultural communication aims at efficiently reducing problems arising from language and cultural conflicts. In addition, the knowledge can be used to solve problems and develop specific fields of work to be more efficient. Graduates will be able to assist society and become the **"wisdom of the land"** according to Mahidol University's goals.

When do you study?

Regular part during office hours (Monday - Friday)
Special part on Saturday - Sunday and public holidays

*Remark: Class is instructed in Thai and it is flexible.
