Research Institute for Languages and Cultures of Asia (RILCA), Mahidol University
999 Budhamonthon Sai 4, Salaya, Budhamonthon, Nakhon Pathom 73170

The program aims to produce graduates who are both practical and theoretical experts, who have research skills that can be applied to solve problems. Students are taught to be experts deft in the skills of ethics and leadership in the academic realm and professions, especially those on the GLAM (Gallery Library Archive Museum) career path. Graduates focus on developing lifelong learning to promote social equality and raising awareness in museum design and sustainable development, with the aim being to develop people through knowledge and innovation and promoting the principle: Museum is well, society is happy.

When do you study?

Regular part during office hours (Monday - Friday)

Remark: Class is instructed in Thai and it is flexible. Students can adjust the study time to suit their schedules. The class is hybrid (Online and Onsite).
